United Council of Churches (UCC) family is cherishing and enjoying many blessings from God Almighty as we work with faith and in humility for the deprived communities in Pakistan.

The board members, management and staff of United Council of Churches are realistic about the task that lies ahead of us. The sheer magnitude of the development challenges in Pakistan can be quite overwhelming; we are doing only a little of what is actually required. There is great joy and satisfaction in doing a little and doing it well. We know that others need to step forward and so we endeavor to equip and empower communities to plan and manage change.

Core Value:

UCC Quetta Diary: UCC, in collaboration with the Good Will Foundation, organized a successful seminar with believers in Quetta. It was a blessed time with the believers and their families, filled with the powerful anointing of the Holy Spirit. We are deeply thankful to God for the opportunity to share His Word on advanced discipleship (Rising - Risks-Challenges)and the call to make disciples who make disciples. A heartfelt thank you to the organizing team and the local leaders for their dedication and hard work in making this event possible.

Langham Diary: Langham is working worldwide in 70 countries, equipping preachers for effective expository preaching. Under the inspiring leadership of Rev. Dr. Qaiser Julius, the Country Coordinator for Langham, 3,000 preachers have been trained. Langham operates through three tracks, which help us equip preachers for real, biblically-based teaching in depth.

By the grace of God, 110 preachers from 24 different cities are attending the Annual Langham Murree Camp this year 2024. These participants are learning through these three tracks, guided by some of the best preachers in Pakistan. By God's grace, Rev. Samson Sohail took a session on the first day. I am thankful to be part of the Langham team in Pakistan and responsible for overseeing the North region. I encourage my fellow brothers to participate in Langham trainings.

A special thanks to Dr. Qaiser Julius for all his encouragement and guidance.

Langham Track-1, Three Days Training on Expository preaching @ Hyderabad Sindh. We are pleased to share the success of the recent Langham Track-1 training in Hyderabad, facilitated by Dr. Qaiser Julius, National Director of Langham, along with Rev. Samson Sohail and Rev. Nadeem Yaqoob. This enriching expository preaching session was attended by 40 dedicated participants. Expository Preaching is an invaluable tool that empowers pastors to prepare their sermons with greater depth and insight.
