United Council of Churches (UCC) family is cherishing and enjoying many blessings from God Almighty as we work with faith and in humility for the deprived communities in Pakistan.

The board members, management and staff of United Council of Churches are realistic about the task that lies ahead of us. The sheer magnitude of the development challenges in Pakistan can be quite overwhelming; we are doing only a little of what is actually required. There is great joy and satisfaction in doing a little and doing it well. We know that others need to step forward and so we endeavor to equip and empower communities to plan and manage change.

May God bless our heroes as they continue to serve with courage and integrity.

God's Kindness in Teaching at Calvary Christ Bible School. God is very kind to me, and I had the great opportunity of teaching at Calvary Christ Bible School. Our study centered on the life of Zechariah, a prophet who played a crucial role in encouraging the people during the rebuilding of the temple. Zechariah's visions and messages of hope reminded the people of God's faithfulness and the coming of the Messiah. Together, we reflected on how the minor prophets, like Zechariah, offer valuable insights for our lives today, urging us to remain steadfast in our faith. The session concluded with a heartfelt prayer fellowship among all the students. It was truly a blessed time indeed.

A Celebration of Freedom, The Jashne Azadi Convention was organized with great enthusiasm and spirit. This event was a powerful reminder of the blessings of freedom and the sacrifices made for our nation's independence. The convention brought together a diverse group of participants who celebrated not just our country's liberty but also the freedom we have in Christ. Through inspiring speeches, patriotic songs, and heartfelt prayers, we honored the legacy of those who have gone before us and renewed our commitment to serving our nation and communities. It was a day filled with joy, unity, and a deep sense of gratitude to God for the freedoms we enjoy.
